Dear colleagues,

We cordially invite you to take part in the **Tbilisi Analysis & PDE Workshop**, to be held on August from 27 to 30, 2025 at the V. Kupradze Institute of Mathematics of the **University of Georgia** in Tbilisi. Please note that the day of arrival is August 26, and the day of departure is August 31.

The programme of the workshop will feature 1-hour invited lectures during the morning sessions and 30-minute contributed lectures in the afternoon parallel sessions.

The workshop programme includes one day of excursion (August 28) and three working days,

We welcome thematic sessions and ask the organisers to submit applications with a list of at least 5 tentative speakers by July 30. Registration for the conference is mandatory, and those wishing to present contributed talks should submit an abstract, prepared in accordance with the template appended to this announcement, to the organisers by July 30.

A conference website will be launched in the near future, enabling you to register, upload abstracts, and obtain updated information about the Workshop.

Participants who also wish to attend the **XV Annual International Conference of the Georgian Mathematical Union**, commencing on September 1, 2025, have several convenient options to travel to Batumi (approximately 400 kilometers away) by express or night train, as well as a comfortable coach or a mini-bus.

The conference fee is 100 USD and includes coffee breaks, conference dinner, one day of excursion and the session at Sevsamora Hotel.

We look forward to welcoming you to Tbilisi and believe that the workshop will be a stimulating and enriching experience for all participants.

On behalf of the Organizing Committee

Roland Duduchava

Director of the V. Kupradze Institute of Mathematics
